## Invitation - Chakus 2012 Competition

All personal members of the ASN Federation and practitioners at member schools are hereby invited to participate in the 2012 Chakus Competition. Registration is open until October 22nd.

This year we have one open branch of competition - Open Style Nunchaku, in which all participants compete. The rules are very simple. - The participants are to construct their own nunchakus form using both single and double nunchakus. The length of the form may vary from 30 seconds to two minutes. The change between single and double chakus may happen any number of times at any time in the form. It is however a requirement that a change between single and double chakus happens at least once.

We will ask you to videotape yourself doing your form or demo and send it to the federation headquarters for judging. Please make a high quality video with sufficient lighting so that we can see the detail in your techniques.

Please make your registration as a competitor at October 22nd at the latest to [administration@asn federation.com](mailto:administration@asn federation.com). We will then send you more detailed information about the competition. Depending on the number of competitors some details might be changed.

The entry fee this year is **\$10** for all competitors.
